

**Public Workshop
on a Feasibility Study to
Explore Improving the
Aquatic Ecosystem
at
F.J. Sayers Dam and Reservoir
Revised August 23, 2017**

When: Wednesday, August 30, 2017, 7:00-8:30 p.m.

NEW LOCATION:

Bald Eagle Area Middle School and High School
751 S. Eagle Valley Road, Wingate, PA 16823

Please join U.S. Army Corps of Engineers and Susquehanna River Basin Commission staff for a discussion about a study to explore potential alternatives at the F.J. Sayers Dam and Reservoir that may improve aquatic ecosystem **without impacting** recreational and flood control purposes.

Please RSVP by August 25 to Hilary Hollier, hhollier@srbc.net.

For additional information on the study, contact
Ben Pratt at bpratt@srbc.net.
